The Scheman Building is in the Iowa State Center (see maps below). Coming from I-35, go west on Hwy 30 to the third exit, which is University Blvd (used to be called Elwood Dr). Exit north, travel past the stadium. Take left (west) on Center Drive (which is the first street 1 long block south of Lincoln Way), and then take the first right into the drive on the east side of Hilton Coliseum. Drive around to the north side of Hilton Coliseum. There you will see a parking lot. Scheman Building is at the far west end of that lot, so park as far west as you can to minimize your walking distance. Call 515-460-5244 if you get lost.
