Professional Development: as part of the course objectives you will be required to attend at least two professional presentations by outside speakers (i.e., outside of class time, ASCE, AGC, TSA speaker meetings for instance). You will need to write a brief paragraph describing the presentation. You will also need to obtain the signature of the speaker or a faculty member present to get credit for attending. Each of these will be included as a homework grade. Additional attendance and documentation will be counted toward extra credit.
